The latest version of our List of Charges will always be available on our website and a printed version is available upon request.

We want you to be aware of the circumstances in which you may incur a fee. Detailed below is our latest List of Charges, which are subject to change from time to time. A copy of the latest List of Charges will be sent to you each year, except where there have been no changes and no new fees introduced.

Mortgage Fees		
Name of Fee	When is this fee payable	Amount
Before your first monthly payment		
These are the fees and charges you may have to pay before we transfer your mortgage funds.		
Additional borrowing fee	Charged for processing an application for additional borrowing.	£80
Application fee	Collected with the valuation fee for processing an application for a mortgage.	£125
Legal fee	You will normally instruct a solicitor to act on your behalf in connection with your home purchase or remortgage transaction. You may be required to pay their legal fees and costs as part of their work on your behalf. These fees / costs are normally charged by the solicitor, directly to you unless we tell you that we will contribute to the legal costs as part of your product deal. The Society operates an approved panel of solicitors which are available for you to choose from. Should you wish to choose a solicitor from our panel, you will be required to pay the costs incurred. Details of charges will be sent to you prior to commitment. You may choose to appoint your own solicitor in which case you will be responsible for the fees incurred.	£500 (Approximate)
Arrangement fee	This is charged on some mortgages as part of the deal. It can be paid up-front or added to the total mortgage amount. If you add it to your mortgage, you'll pay interest on it at the same rate as the rest of your borrowing. It might be a flat fee, or a percentage of the loan amount.	This fee is product specific – please refer to the documents provided by your advisor
Re-inspection fee	If your mortgage is released in stages and you're using it to renovate your home, this covers the new valuation we need to do after the works carried out.	£110
Re-valuation fee	From time to time a re-valuation of your property may be required. This usually occurs upon a request for a contract variation or additional borrowing. Fees will be communicated prior to commitment.	£160
Valuation fee	Our valuation report, which is used to calculate how much we will lend you. This is separate from any valuation or survey of the property you might want to commission. There are other homebuyers or structural survey options available to you at a cost and there may be different approaches in different parts of the UK. Some mortgages offer free valuations – the product details for your mortgage will tell you if this is the case.	Please refer to Valuation Fee Scale provided by your advisor
If you ask us for extra documentation and/or services beyond the standard management of your account		
Redemption statement	If you or your Solicitor request a statement to repay the mortgage.	£50

If you change your mortgage

Please note if you change to a new product, the 'before your first monthly payment' fees may also apply at this stage.

Legal Fee	You will normally instruct a solicitor to act on your behalf if you need to make any changes to the Property while your mortgage is with the Society. You will be required to pay their legal fees and costs as part of their work on your behalf. These fees / costs are normally charged by the solicitor, directly to You. The Society operates an approved panel of solicitors which are available for You to choose from. Should you wish to choose a solicitor not from our panel, you will be responsible for your Solicitors costs and those of the Society's Solicitors. We will confirm with you prior to any work commencing the approximate costs that will be payable by You.	This is dependant on the cost of the Legal work involved

These are the most common charges you may have to pay if you fail to keep up with your mortgage payments. Some charges, for example those covering unpaid/returned direct debits or cheques, occur at the early stages of your inability to pay (arrears). Important Information

There may be other fees and charges (not listed above) which are made by the Society for providing additional services and we will notify you of these at the time the service is requested.

Please note that due to the manner in which interest is charged on a mortgage account, if the fee is added to your account we will not charge interest on it provided it is paid before the end of the month. If it is not, it will become part of the balance on which we will charge interest for as long as the amount remains unpaid.
