The Financial Services Compensation Scheme – protecting your savings

We are covered by the Financial Services Compensation Scheme (FSCS). The FSCS can pay compensation to depositors if a building society is unable to meet its financial obligations. In general, individuals and small companies can claim compensation from the FSCS. In case of deposits, large companies are also able to claim compensation, although some exclusions may apply. We will remind you of this Scheme annually. Please see the Financial Services Compensation Scheme's 'How FSCS Protects Your Money' booklet, which is available in our Branches or our website, for details. Your eligible deposits with Dudley Building Society are protected up to a total of £85,000 by the Financial Services Compensation Scheme, the UK's deposit guarantee scheme. Any deposits you hold above the limit are unlikely to be covered. For joint accounts each holder is treated as having a claim in respect of their share so, for a joint account held by two eligible depositors, the maximum amount that could be claimed would be £85,000 each (making a total of £170,000). The £85,000 limit relates to the combined amount in all the eligible depositor's accounts with the building society, including their share of any joint account, and not to each separate account.

Please ask at your local branch or call a member of our Customer Service Team on 01384 231414 for further information or visit the FSCS website, **www.fscs.org.uk**.
