

Nominated Account Form

This form should always be completed by the member. Please note that Dudley Building Society cannot recall Faster Payments once the money has been released, so please take extra care to ensure all details on the form are clearly written and correct. The nominated account details must be in the name(s) of the DBS account holder.

If in the unlikely situation we are unable to verify your nominated account via our electronic checks, we may require proof of nominated account ownership. This would usually be an account statement or Building Society passbook bearing your full name, address and nominated account details. To avoid any delays or unnecessary visits to our branches, we ask that you bring the original or a certified copies of these documents with you. Please also provide these documents if you are sending the forms to us via post.
